

# Eagle Airport Local Runway Safety Action Team Meeting & Pilot Controller Forum

This is a great opportunity to get answers to a variety of aviation topics and learn more about the Runway Safety program. In attendance will be aviation professionals from the EGE Tower, Denver TRACON, Airport Operations, and local FAA Safety Team.

**Directions:** The event will start at 10:00 AM in Terminal B - adjacent to the Vail Valley Jet Center. If you are arriving by plane just park at the Vail Valley Jet Center and come inside. Landing and facility fees will be waived for aircraft flying in for this event. If arriving by car park outside the fence near gate 4, in front of the Vail Valley Jet Center and the Jet Center will buzz you through the gate. For questions on getting to the event call Loren French at 970-401-4104.

## A message from the National FAASafety Team Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
